Well hello there, how are you today, where are you going, I think I'll just follow you around.

Oh, you want to know about me, well I hadn't learned all about you yet. And do I smell carrots in your pocket, no, oh is it cookies, if you give me cookies I'll promise not to get the crumbs everywhere.

Hmm, about me, well, I do very much enjoy company. Tea parties are my favorite and now that the 4 mini's are around, I finally get to use all of my tea set. Would you like some, no, oh are you sure, I've got other things to drink. Are those french fries I smell in your pocket, I do love fries even if they aren't from France.

Okay, back to me. Well you see the girls from the cottages, I just love those girls, so cute and kind, come up once a week to do my makeup and hair. Pink is the best color for me, it just pops off my grey coat. And pink is just so classy for a lady my age. Purple ribbons also look splendidly in my hair! Let's see what else can I tell you. Oh my, excuse me, some folks just came up to the fence over there and well, I have just got to go see them. Nice chatting with you, let's do it again sometime!
