Hi, I'm Deac and I'm a miniature donkey. So I'm as tall as I'm going to get. Others tower over me, but that's okay because I can get places they can't. I like to go for mini adventures around the farm. I've explored the other pens and seen a bit of the fire pit and the Teepee! It's cool to be able to get out and stretch the ole' legs. Of course I'm not very old but you know what I mean. I've seen a lot of the upper campus and one of these days I'll go explore the rest. Many a time a staff member will come up and walk with me. We have a great time exploring and we even sometimes play cat and mouse around the back 40! I love it, love it, love it. It's so great to get out and run and play.

Speaking of play, I now have a new play-mate, JB. We love to run around the corral and laugh and play. We have so much fun, that sometimes Becky, JB's mom, has to settle us down a bit. We probably could run so fast that we could fly.

It's great to be here even is I just found out that Becky is not my mom. I was just told that I came from another farm to help work with the kids, which I love to do. They scratch me under the neck and it feels so good. If they don't pay attention to me I cry out until someone comes and gives me a carrot and a pat on the head. Don't forget the little miniature donkey in the corner. I am just as loveable as the rest of the animals up here and even cuter!

Yes, I am named after the Demon Deacons! I think it's really cool and they have some great teams.

Go Deacs!
